- Manufacturing
- Production
- Food and Beverage
- Food Manufacturing Processes
- Food Safety Procedures
- Waste Management

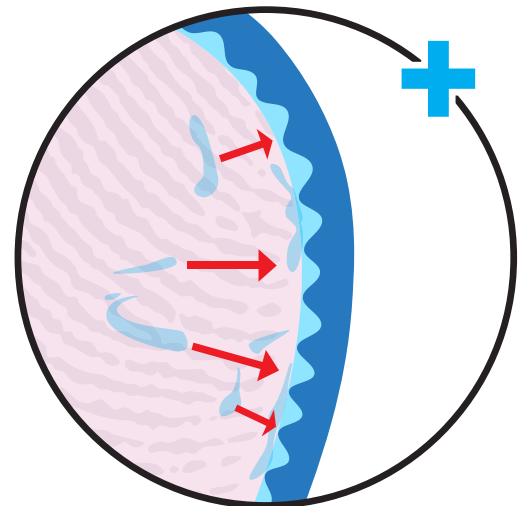

Technology You Can Feel. How Does **EASY ON** Work?

Microlite PLUS Gloves feature revolutionary new technology that draws the sweat and moisture away from your hands, allowing the glove to simply glide on.

When wearing **Microlite PLUS** Gloves you can physically feel the **EASY ON** difference.

EASY ON Technology enables your hand to maintain its optimal pH level, creating an easy comfortable experience for the user.

In a world where time is money, The Glove Company saw the need for a disposable glove that works with the wearer. Gloves that are easy to put on no matter what.
